## **How do I make a drug/dental/EHC claim?**

Your student identification card may be used at any participating provider (pharmacist or dentist) across Canada and payment of eligible claims will be honored. To fill a prescription, present the prescription and indicate to the pharmacist that you are with ClaimSecure and your group number is 513984. At this point present your student card, as your student number is your identification. You will then be expected to pay the required co-insurance amount per prescription. To process a dental claim, present your student card to the dentist and pay only the required co-insurance amount per treatment, as long as the amount charged is according to the Suggested Fee Guide for General Practitioners.

Please note: if the dental office charges more than the Fee Guide recommends, you will be responsible for additional charges.

For all non-accidental, medical extended health care claims, you must obtain and complete a ClaimSecure extended health care claim form from the Student Union office and include all written referrals and original receipts. You will submit all information to the address indicated on the claim for reimbursement within 90 days of the incurred claim. When so requested by the Company, the student shall secure any further statements from his or her physician within 90 days of the date of the incurred claim.

**My student card was not accepted at the pharmacy or dental office. Why? What do I do?**

There are a few different reasons for having complications at your pharmacy or dental office. Below are some scenarios:

- a) At the beginning of each semester, a listing of all registered and eligible students to date is provided. These records are used to put your personal information on-line at the pharmacy or dental office so you can make a pay-direct claim. There is a time period therefore, when you will not be able to use your student card to make an on-line claim due to the transfer of this information to the on-line system at ClaimSecure. If you are affected by this delay, please use the manual reimbursement system as noted below.
- b) Your pharmacist/dentist may not be familiar with the procedure for processing a claim through ClaimSecure. **A toll free number has been provided to all pharmacies and dental offices so they are able to assist you on the spot.**
- c) If you experience complications at the pharmacy that are not related to the above descriptions, please call WeSpeakStudent for help.

**I have been unable to locate a ClaimSecure participating pharmacy/dental office. What do I do?**

It will be necessary for you to pay cash for the claim, keeping official receipts(s), which will identify the total amount(s) paid. Please use the manual reimbursement system as noted below.

**How do I use the manual reimbursement system?**

Prescription, Dental and EHC claim forms are available at both the Student Union office and on-line at [www.wespeakstudent.com](http://www.wespeakstudent.com) Complete all sections of the form that apply to your claim and once you sign it you can send it along with your receipts directly to ClaimSecure at PO Box 6500 Station A, Sudbury, ON, P3A 5N5. It will take approximately 3-4 weeks, depending on mail service, to receive your reimbursement.

**Can I submit my claims electronically? Can you reimburse my claim using direct deposit?**

**How do I make an accident claim?**

- a) All Accident claims should be submitted on an Industrial Alliance Insurance and Financial Services Inc. Post-Secondary Student Accident Claim form, available from the Student Union office. Claim form must be signed by an authorized authority at the Student Union office.
- b) Students must have received treatment from a qualified physician/dentist within 30 days from the date of the accident.
- c) Completed claim form must be filed directly to Industrial Alliance Insurance and Financial Services Inc. within 90 days from the date of the accident, and no later than 1 year.
- d) It is the Insured's responsibility for securing the claim form and for charges incurred for its completion.

**Am I covered worldwide?**

If you are out of the province or country and you have an accident that requires immediate, necessary medical treatment or you need to obtain a prescription from a qualified physician, you will be required to pay the amount owing at that time yourself and keep all receipts. When you return to the province, you are then required to fill out a manual reimbursement claim form and send it to ClaimSecure (Prescription drug) or Industrial Alliance Insurance and Financial Services Inc. (Accident claim) with the receipts to receive your money back.

Please note that you will be reimbursed according to the benefits set up under your health insurance plan no matter where the accident has occurred or where you obtained the prescription.

**There is no provision for worldwide coverage for the Dental and EHC benefits as these plans only allow Canadian dentists and practitioners.**
